Webinar: Online and distance learning in southwest Tennessee: Implementation and challenges

February 11
2:00 to 3:00 p.m. EST

What were the findings from REL Appalachia’s study of online and distance learning courses in districts surrounding Memphis, Tennessee?

Learn about:

- Online and distance learning course availability in high schools in southwest Tennessee.
- The types of online and distance learning courses offered in high schools in southwest Tennessee, and the schools’ reasons for offering these courses.
- What schools perceive as the greatest challenges to offering and expanding online and distance learning courses.

Presenters:

- Lydotta Taylor, Ed.D., Research Partnerships Lead, REL Appalachia
- Eric Cramer, Senior Research Specialist, REL Appalachia

Sponsored by The Michigan Virtual Learning Research Institute.
