Principles of Innovation Configuration Mapping

What is an Innovation Configuration (IC) Map?
How can an IC Map help educators in managing, guiding, and sustaining implementation of new initiatives?

Audience:
- MNPS Data Use Research Alliance members, other MNPS teachers and leaders, and educators across the country.

Learn about:
- The theory behind IC Maps.
- Steps in developing an IC Map.
- Using IC maps to understand how new initiatives are being implemented, as well as next steps for reaching implementation goals.

Presenters:
- Dr. Dale Lewis, Principal TA Consultant, American Institutes for Research
- Dr. Jason LaTurner, Senior TA Consultant, American Institutes for Research
