What strategies can principals employ in leading teachers and staff in using data?

How can district leaders, teachers, and school support staff support principals in doing so?

Audience:
- School leaders and school and central office staff from Metropolitan Nashville Public Schools and across Tennessee.

Learn about:
- Ten leadership strategies that principals can use to lead staff in using data to improve instruction.
- Practice-based activities that can help staff discuss and develop common understandings about teaching, learning, and data use.

Presenter:
- Dr. Jeffrey C. Wayman, President, Wayman Services, LLC

Opening remarks by:
- Dr. Candice McQueen, Tennessee Commissioner of Education
